FAQs

Why are the popular plans good for those with prior coverage?

If you have prior PPO/Indemnity coverage, waiting periods may be waived on the Mesquite, Saguaro, Agave and Cholla plans. This allows you full access to covered benefits from day one.⁶

How much do these dental plans cost?

It depends on the plan you choose. We have plans as low as \$19.94 per person/month.⁸

What is Free Until ThreeTM?

Because good oral health starts at infancy, our plans encourage parents to get regular checkups for their kids with the Free Until ThreeTM feature. Simply put, there is no charge to cover dependents under the age of 3.⁷

What services are not covered?

Covered services will vary depending on the specific plan you choose. For a complete list of benefits, terms, limitations and exclusions for each Delta Dental Individual and Family plan, call 888.899.3736 or visit DeltaDentalCoversMe.com.

Can I see any licensed dentist?

Delta Dental Individual and Family plans leverage the Delta Dental PPO network. While you can see any licensed dentist, you'll have the lowest out-of-pocket costs when you see an in-network Delta Dental PPO dentist.

How do I know if my dentist is in the Delta Dental network?

To check if your dentist is in network or to find a dentist near you, visit DeltaDentalCoversMe.com/dentistsearch. Remember, you can see any licensed dentist but you'll save the most money visiting an in-network Delta Dental PPO dentist.
